Principal

Permission to Photograph and Use photographs of Students

From time to time we will be taking pictures of students at school and/or at school functions. We would like permission to use these **pictures and the student's name** on our school website, in local newspaper publications, in the school's annual, on local billboards, and/or on bulletin boards at the school.

_____ Yes, I give permission to use photos of my child as described above.

_____ No, I do not want my child's photos used at all.

Name of Student _____

Parent / Guardians Signature _____

Date: _____
